

MA 227-01

Calculus III

Quarter: Summer 1999

Instructor: Richard Hitt

Office Hours: MTWRF 10:00 – 10:20, MRWR 5:00 – 5:30 and by appointment in ILB #306

Phone: 460-6755 (or 6-6755 from campus). If there is no answer, you can leave a message on the voice mail system.

E-mail: My e-mail address is hitt@mathstat.usouthal.edu

Web Page: I will keep class materials on the course home page. You can get there by going to <http://www.usouthal.edu/hitt> and clicking on the appropriate course in my schedule.

Class Meeting: MTWRF 10:20 – 11:35 in ILB 370

Text: *Calculus Concepts and Contexts* by James Stewart

Coverage: We will cover chapters 10, 11, 12 and a little of 13 as time permits.

Prerequisite: MA 126 (Calculus II). The prerequisite is strictly enforced in this course. If you have any questions about your preparation for this course you should see the instructor.

Grading: There will be two in-class tests, each counting as 25% of the course grade. The final exam will be cumulative, and will count as 35% of the course grade. The remaining 15% of the grade will be derived from short quizzes, homework sets, and lab assignments after the lowest quiz/homework/lab grade is dropped. There are no make-up tests or quizzes, and late homework is not accepted. If you miss a test, a grade for that test will be extrapolated from the part of the final exam that covers the missed test. (Note: You cannot choose to miss a test after you have received the test in class.) Unless otherwise announced, the cut-off points for the letter grades A, B, C and D are 90%, 80%, 70% and 60%, respectively.

Tutoring: The Department offers a Tutoring Lab to all students taking Mathematics and Statistics classes. There is no lab fee. Please check the bulletin board outside ILB 325 for details.

Audit: If you are auditing the class, you will receive a grade of UA (unsatisfactory audit) if, in my judgement, you do not consistently attend class.

Note: Any student with a qualified handicap which requires accommodations should talk with me after class so that arrangements can be made. A student must

verify that he/she has a qualified handicap through the Special Student Services Office (460-7212).
